## IFS Connect Australia - 2nd May 2024

Platned are a proud Silver sponsor of IFS Connect Australia, scheduled for May 2, 2024, at the Museum of Contemporary Art Australia in Sydney. The event will present Platned with a valuable opportunity to build connections with a diverse array of individuals, including IFS team members, partners, customers, and prospects. Chamara, Platned CEO will be presenting his thoughts on **Future-proofed Service and Asset Management Expertise**.

A promotional graphic for the IFS Connect Australia event. The background is a night view of the Sydney Opera House and the Sydney Harbour Bridge. The text includes the hashtag #UnlockBusinessValue, the event title "Future-proofed Service and Asset Management Expertise", a photo of Chamara Arunoda, CEO at Platned, and the event details: "in Quayside Room, Museum of Contemporary Art Australia (MCA) at 2.45pm". The IFS Connect Australia logo and the Platned logo are also present.

## Customer Moment

“We have been collaborating with Platned since 2019 for Technical Consulting, assisting in BAU, patching, providing support during platform downtimes, ensuring that Paradigm remains on the correct version. The Platned team has consistently been responsive, addressing concerns with the platform promptly, 24/7. Platned stands out as one of the best partners we've ever engaged with. It's thanks to Platned that we continue to use IFS and plan to do so in the foreseeable future.”

## **Del Mar Electronics & Manufacturing Show Exposition & Seminar Programme**

Our Sales Director for America, Daniel Young, attended the Del Mar Electronics & Manufacturing Show Exposition & Seminar Programme (DMEMS 2024). The event allowed industry experts to discuss the latest electronics and manufacturing trends.

"This was our first time attending the 2024 Del Mar Manufacturing and Electronics show and it was a huge success. With 370 Vendors showcasing the latest and greatest software and hardware technologies to over 3500+ attendees over 2 days it was a packed event. Industry 4.0 and AI were hot topics but 'Order to Cash' was still the main driving force for cost and efficiency savings. "

## Ask Platned – A drop-in IFS Clinic

On April 24th, Platned successfully hosted an open session during which our experienced sales team provided valuable insights and effective solutions for challenges related to IFS. Leveraging more than a century of combined experience, our specialists provided pragmatic approaches to enhance IFS operations and increase productivity.

The next “Ask Platned” event will take place on the **9th May** at 4:30PM BST and 11:30AM EST – [Register Now](#) to secure your spot.

## Platned - Official Sponsor of the IFS UKI

### Snowdon Challenge

Scheduled for Monday, July 1st, this exciting event will feature a 15KM hike with 975 meters of ascent, promising a thrilling journey amidst the stunning landscapes of Snowdonia.

The Foundation's mission to invest in public health and education in remote Sri Lankan communities resonates deeply with us. We are proud to stand behind such an impactful initiative organised by [IFS](#) and to help to break the cycle of poverty and create brighter futures.

## CSR Activities

We've just wrapped up three fulfilling days at A.E. Gunasinghe Vidyalaya! Inspired by CEO Chamara's genuine dedication to his school where he started as the 14th student. We are grateful for the opportunity to teach these children and thank Platned Thriving Club for organising the career fair booth.
